Eastern Petroleum Supplies was founded in 1981 to sell Avery Hardoll Mechanical Forecourt pump spares, since then we have expanded our market areas into Gantry Equipment, Oil Delivery Vehicle Equipment and our Speciality Aviation Refuelling Systems. Our office which is based in Essex has its own in-house Manufacturing and Fabrication department and product testing facilities.

We are the UK Agents for SATAM Bulk-Flowmeters, OPW Fuelling Components, Mann Teknik Couplings, Titan Aviation Vehicles, Pronal Elastomer, Gilbarco – Veeder Root, Corken Pumps Inc. and Avery Hardoll Fluid Management.

Anything you require to PUMP, LOAD, TRANSFER, METER, FILTER any type of fuel, do not hesitate to contact Eastern Petroleum Supplies
