Albano S. Alessandro (BG) – June 01<sup>st</sup>, 2016

**Subject:** LETTER OF APPOINTMENT

We ISOIL IMPIANTI S.p.A., manufacturer of metering and automation instrumentation & solutions for the Oil industry, and in particular of P.D. meters, pulse transmitters, electronic registers and large digit displays for the aircraft refuelling industry, with Headquarters at Albano S. Alessandro in Italy, herewith confirm that the Company

Eastern Petroleum Supplies  
New House Farm, Maldon Road  
CM0 7RR Steeple Essex  
United Kingdom

Is our representative for the aviation market for the United Kingdom & Ireland territory. It is therefore authorised to quote, sell, commission and service the instrumentation manufactured by our company within such a market & territory.

EPS is constantly up to date with the latest ISOIL Impianti S.p.A. releases participating to regular technical and marketing training courses held by our company, and therefore can guarantee the supply of genuine equipment and spare parts as well as qualified technical product support.

The present letter has twelve months validity, unless cancelled in writing by one of the parties; it has been issued for EPS's use, the relationship with whom is ruled by the agency / distribution agreement between the parties, which remains the only document regulating the contractual terms among our companies.

Yours sincerely

Tito Manto  
*Sales Director*
